

SLASH YOUR CPK.

- + BOOST SUSTAINABILITY***
- + RECYCLE SMARTER***

Do you know what your tyre recycling is really costing you?

Partner with **RubberGem** and help your fleet recycle smarter, operate cleaner, and uncover real savings in the process.

RUBBERGEM
AUSTRALIA

Drive Down Your CPK

Recycling with RubberGem helps lower your cost per kilometre by turning your end-of-life tyres into long-term savings.

Tailored for Your Fleet

Whether you drive a national fleet or single depot, we design a collection and recycling program that fits your operation, not the other way around.

Australia's Largest Single-Site Rubber Recycler

Partner with WA's best, trusted by leading transport groups for reliability, transparency, and proven sustainability outcomes.

No Surprises. Just Great Aussie Value.

Transparent pricing, no hidden fees, and some of the most competitive rates in the industry.
